

Missing Verses from the Didache on Communion with Incense. Also see Sarum Missal and Apostles Didascalia for confirmation.

In the newer renditions of the Didache they cut off the last verses of Chapter 10. However the Coptic version and other pre 11th Century versions of papyrus manuscripts these verses are still there. The Greek Oxyrhynchus Papyrus, dating from the 4th Century, the Coptic version from the 5th Century, the Greek Apostolic Constitutions as well as the Ethiopic all contain the prayer of the ointment(translated incense) within the Eucharist(Communion) service.

Chapter on Apostolic Succession in the Ecclesiastical Antiquities of The Cymry(Welsh)

The Apostolic heritage of the Bishops of Britain before submission to Canterbury and continuing afterwards. Our lines of Apostolic succession are traced in these lines also. As taken from the genealogies of Welsh Saints and further corroborated. In these we see that the family of Britain's First Century rulers, and their descendants had formed a large part of Britain's Priesthood.

Biggest Smoking Gun Ever On BREAKTHROUGH INFECTION Cover-up! 99.9% of new infections are listed as UNVACCINATED in master data!

The Israeli Ministry of Health reports that 64.5% of those hospitalized and 67% of seriously ill people with COVID were "fully immunized" with both shots. Only Israel has a standard to include vaccination status in their National data on new infections. Populations with the highest vaccination rates (like Israel) have the highest hospitalization rates of the VACCINATED. Officially 70% of all COVID patients hospitalized in Israel are fully vaccinated.

70% of those hospitalized with severe COVID illness are FULLY VACCINATED! .. untested vax mandates are

inhumane

Below is a recent response I recieved from Matt Staver, Chairman of Liberty Counsel. They are doing great work helping people from the vaccine injuries. It is also a human rights matter, of which the Equal Employment rights are trampled and you may have a good lawsuit, so long as you don't quite and are clearly "terminated" against your will, and nothing in the termination can be twisted as quitting. However you can list the bullying and harassment for an upcoming class action suit.

Stopping Vax Employment Mandates Successfully. Combated by filing administrative charges of Vaccine Employment Harassment via 4 agencies

Mandates are normally illegal, especially in the area of Employment. I remember 15 years ago McDonalds was sued by the governmental agency EEOC because they required every applicant to have a Social Security number and write it on their employment application, in order to be considered for employment. Someone felt they were being discriminated against because they chose not to have a social security number so they went to the EEOC (Equal Employment Opportunity Commission).
